"SKINNY HAG" JAILS PARROT

RIO DE JANEIRO (Reuter)—A raven-colored parrot has been jailed for harrasing an 86-year-old widow living next door with cries of "Skinny old hag" and "Tubercular one."

The outraged old lady thought it was the voice of her neighbor, the bird's owner, and summoned police. They were astonished to find the parrot was indeed talking to the neighbor, who was greeted with an even more staggering display of bird vocabulary.

The bird was promptly arrested and now is undergoing "corrective detention"—lessons in well-mannered speech.

Bid To Force Publication Vote Runs Aground On Old Ruling

OTTAWA (CP)—A bid to force an amendment would force a Commons vote on the growing perogative whether Time and Reader's Digest over taxation. It showed the "Canadian" position. Mr. Gordon's motion would allow the tax from estimated in the review of taxation to be an amount parliamentarily determined from the list of industry that the Crown has now limited over levels of taxation.

Deputy Speaker Lucien Lamoureux invoked this third and true time in the House Tuesday night to set aside a New Democratic proposal that the Canadian editions of the two U.S. magazines be refused "national status."

The ruling helped set off one of the most bitter Commons exchanges in recent weeks.

The storm blew up as the House debated Finance Minister Gordon's budget resolutions which include provisions to eliminate as tax-deductible expenses Canadian advertising spent in foreign-owned publications.

The plan, designed to help this country's magazines meet "unfair" foreign competition, exempts the Canadian editions of Time and Reader's Digest on grounds they are "well-established in this country and now do their printing and publishing here."

Douglas Fisher, NDP deputy leader, challenged the proposal, arguing that Time and Reader's Digest are really "foreign" Canadian publications with their editorial content and direction from the United States.

He put forth an amendment to force Lamoureux (CP—Edmonton) delete the exemption offered the two magazines.

Mr. Lamoureux ruled that of "childish conduct."

Mr. Fisher did not challenge the ruling as such—under the House's rules he couldn't—yet it did not help on the amendment to lash out at the government and Mr. Gordon in particular.

He accused the finance minister of using "underhanded and sneaky" tactics to get the publication legislation through the income tax bill when it really is a tax matter at all. Mr. Gordon "hadn't even had the courage" to spell out Time and Reader's Digest in its tax resolution.

"I feel a sense of outrage at this government and this minister after all its grating about Canadian nationalism," Mr. Gordon jumped to his feet to fire right back at these intemperate remarks from one of the most temperate members of the House.

"I'm not used to being called cowardly and I don't accept it," said the member for Port Arden, Canadian publications with their editorial content and direction from the United States.

With Mr. Lamoureux's appeal, the House voted for Mr. Gordon's amendment to force Lamoureux (CP—Edmonton) delete the exemption offered the two magazines.

Mr. Lamoureux ruled that of "childish conduct."

TODAY'S STOCK QUOTATIONS

By THE CANADIAN PRESS

North American stock markets bounced ahead today as bargain-hunters jumped into trading to continue Tuesday's advances.

By early afternoon the recovery was moving along at a good clip, although prices had slipped after an opening surge of buying.

The recovery from slumping prices that set in more than a week ago was attributed by brokers to inventory satisfaction with a new statement from President Johnson that the United States economy is basically strong.

The general rise on the Toronto and Montreal exchanges was triggered by a good advance on the New York Stock Exchange, where key stocks advanced from fractions to a point or two along a broad front. Trading was active.

CANADA'S NEW LABOUR CODE/Hon. Allan MacEachen, Minister of Labour, answers some questions:

"Our new Canada Labour Code has been called a 'first,' Mr. MacEachen. Would you agree?"

"Briefly, who does this new Code apply to?"

"Let's get down to specifics. What, exactly, does it promise to those employees who are affected by it?"

"Yes, and it is one of the most all-embracing. Canada has a right to be proud of it. It sets higher standards than have been set for any other country I know. Other countries are taking note of the way Canadian Parliament is ensuring that more workers share in this country's growth."

"It applies to industries which fall under Federal jurisdiction—and may well prove to be a guide for other industries. The Government itself, which is a large employer in its own right, will take the lead by applying the Code's standards to its own federal employees."

"As we said, it sets minimum standards—and I stress that these are minimum, because, of course, a lot of workers already enjoy higher standards than the Code sets."

First, it sets a standard 8 hour day and a 40 hour week, with overtime limited to 8 hours a week, and paid for at time-and-a-half.

Second, it sets the minimum wage rate for all men and women over 17 years of age at \$1.25 an hour.

Next, it provides for two weeks annual vacation with pay, after one year's service; or 4% of wages as vacation pay for those with from 30 days to a year's service.

Finally, it stipulates that each employee shall get eight statutory holidays with pay a year—or get a full day off in lieu of the holiday."

"The Code covers interprovincial or international rail and highway transport, primary fishing where the fishermen work for wages, air transport, radio and TV, shipping, banks, uranium mining, grain elevators, flour and feed mills and warehousing, seed cleaning mills, interprovincial or international pipelines and ferries, interprovincial or international telegraphs and telephones, most Crown corporations and one or two other smaller industries."

If you are not sure whether you are covered by the Canada Labour (Standards) Code, write to Department of Labour, Ottawa.

WARM WELCOME FOR HOMECOMING ASTRONAUTS

Astronaut James McDuff parks up his three children and tries to hug them simultaneously at Langley Air Force Base near Houston.

Texas, as he and fellow astronaut Edward White, are greeted with their families for the first time since their four-day space flight.

McDuff is at right. Back of the McDuff family White turns to kiss his wife.

Dance For Old Timer Planned By WA To Community Hall

A dance honoring Jack Bell was planned at the June meeting of the Ladies Auxiliary to the Okanagan Mission Community Hall held at the home of Mrs. C. Faran, Raymer Road.

Mr. Bell, who has been a resident of the Mission for many years, recently sold his property there and is planning to move away.

Ten members were present and two new members namely Mrs. K. Carlson and Mrs. J. Fink were welcomed to the meeting.

The Western Jamboree held recently in the Hall was discussed and all who attended agreed that they had a wonderful time.

Tickets for the dance which will be held in the hall on June 26 are available from any member of the auxiliary. The Kay Dunaway Orchestra will be playing and refreshments will be served.

There will not be another regular meeting of the auxiliary until September.

Grelle Ticks Off North American Mile Record

VANCOUVER (CP)—Lanky Jazy with a time of 3:33.6, Jim Grelle of Portland, Ore., walked to the public address system and was handed the baton Tuesday night in a race that saw Peter Smith of New Zealand turn in the worst race of his starting career.

Grelle made good his coast to his Seattle at the Vancouver International track meet—and did it in a time of 3:33.6, the fastest mile ever run by an American.

But for a jubilant Grelle, the edge was taken off the victory by the dead-end finish of Smith—a victim of a stomach ailment in the morning.

As the race progressed and it became obvious that Smith was not going to make his move, Grelle's crowd of 13,000 turned its attention to the front runners.

Grelle and Cary Weisger of Raleigh, N.C., had been exchanging first place during the first three laps. As they moved into the fourth, Grelle took off with a tremendous burst of speed.

He left Weisger behind to duel with Tony Harris of London, England, who had suddenly appeared out of the pack. Meanwhile, Smith dropped back from the seventh position he held through the first three laps.

CROWD WILD
The crowd went wild as Grelle blazed down the stretch. Harris crossed the line more than seven seconds later with Weisger breathing down his neck.

The spectators fell silent as Smith trudged to the finish. A few booed him.

Smith collapsed over an iron fence at the side of the track, tears welling in his eyes. He was unable to talk.

The New Zealander, the one the spectators had hoped to see regain his world record last last at 16 1/4. The record was 16 weeks to Frenchman Michel.

INVITED TO COAST CEREMONY

A Vancouver newspaper says the world's first sub-minute mile, Roger Bannister, left and John Landy, have been invited to Vancouver in July, 1966 for unveiling of a statue to their famous mile duel here in the 1954 British Empire Games. The unveiling would take place in conjunction with a proposed track and field meet that would attract athletes from all corners of the world on their way to the 1966 British Empire Games in Jamaica. The paper says the Bannister-Landy statue fund already has \$7,000 in private donations, with another \$3,000 needed to complete the project.

"Early Bird" Tennis Instructor Forces Clinic To Open Thursday

There's been a change in plans for the special tennis clinic scheduled for the Kelowna Golf and Country Club. Originally slated to start Friday, the clinic will now begin Thursday morning at the golf club courts. A phone crew will call all participants to inform them of the change.

Roger Jones, the instructor, is arriving here tonight, one day earlier than planned and this necessitates the last minute switch.

Today is still deadline day for registering for the clinic, open to all set enthusiasts in the area.

No Matter What The Garb Alou Brothers "Poison" To LA

By MURRAY CHASS
Associated Press Sports Writer
Felipe and Matty Alou haven't been teammates for two seasons, but they still work together like the Lone Ranger and Tonto.

The brothers, Felipe with Milwaukee Braves and Matty with San Francisco Giants, teamed up Tuesday night to move the Braves a game closer to first place in the National League.

Felipe drove in six runs with two homers and a single, sparking the second-place Braves to a 12-7 victory over Philadelphia Phillies while Matty scored both runs in the Giants' 2-1 triumph over Los Angeles Dodgers.

The Alou brothers, including Jesus, played together with the Giants in 1963. At the time, Felipe was in his sixth year, Matty his fourth and Jesus his first at San Francisco. But in December of that year, Felipe was shipped to Milwaukee, and then there were two.

Jesus has been a permanent fixture in the Giants' outfield this year while Felipe has started either at first base or in the outfield at Milwaukee.

He enjoyed one of his better nights against the Dodgers Tuesday. With one out in the first inning, the 26-year-old lefty doubled and stole third as pitcher Don Drysdale peered in for the sign for his first pitch to Willie Mays. Mays then tripled for the first run.

In other NL games, Pittsburgh Pirates outslug St. Louis Cardinals 10-6, Cincinnati Reds downed New York Mets 5-1 and Chicago Cubs whipped Houston Astros 5-0.

Marichal held the Dodgers to five hits, two by Drysdale, and brought his record to 10-5. Drysdale, who had won nine of his last 10 games, suffered his fourth setback against 11 victories.

Winds Change For Sailors
Kelowna and district sailors took to the waters of Okanagan Lake over the weekend for more rewarding sailing experience. Sunday, members of the sailing division of the Kelowna Yacht Club held two races.

The first event, sailed in light to moderate winds, was won by Bolt-From-The-Blue skippered by George Kirkwood. Ginger, handled by Hugh Earle came second and Frank Morton piloted Tanti to third spot.

In the second race, the wind increased from a gentle breeze to a "big blow" which tested all crews' ability. Hugh Earle sailed to victory in Ginger and Bolt-From-The-Blue trailed in second place. Third went to Foote Loose II, skippered by John Foote.

The next race is scheduled for Wednesday, June 23 at 7:30 p.m. Many of the boats here will be travelling to Osoyoos this weekend to take part in the Osoyoos Regatta.

Labatts Come On Too Late To Erase Kamloops' Lead

Kelowna Labatts threatened all night but just never got serious until the ninth inning, when it was too late. Kamloops Labatts slammed the door shut to post a 12 Okanagan Mainline Baseball League win Tuesday night at Ellis Stadium.

Labatts unveiled a new pitcher, also came on strong in the first two frames but wilted in the third. Dave Heimvol of Yarmouk, worked two and two thirds mugs before giving way to reliever Les Schaefer in an inning that saw Kamloops come up with five big runs—enough to salt away the victory. They used two singles, six walks, and one Kelowna error. A wild pitch and a passed ball were also tossed in.

RETIREES SIDE
The tall southpaw got the first six Labatts retired in order before walking leadoff batter Ed Begg to start the fatal third. He recovered however to get the next batter on strikes and the following on an easy infield out.

Two more walks brought Schaefer to the hill. The big right-hander fared well—his second time up in the inning—with a two out count. Begg drew another free pass forcing in the fifth run. Schaefer then got George Macdonald on a pop up to end the debacle.

EXPAND LEAD
Labatts picked up single runs in the fifth and eighth to put the count to 1-0 before Labatts could break through. They made noises like scoring in every in-

JACK BURTON

... good word

ing but the fourth, sixth and eighth. But only in the ninth did they come through.

John Duszak sent in to hit for Ed Begg. Drew a base on balls from Kamloops' Dave McGilvary. With one out Jack Burton slashed a double to right-center scoring Allan Vetter who went in to run for Duszak. Vetter went to second earlier on a passed ball. Burton's hit was his third in five tries over the evening.

There were two out when centrefielder Bill Marino got his only hit of the night, a double to left scoring Burton. Schaefer was called out on strikes to end the hit.

POSTS VICTORY
McGilvary struck out eight and gave up four walks, eight hits and hit one batsman in go-

ing all the way to post the win and said Doug Bailey and Vetter Schaefer allowed five hits in the sixth and a third in the seventh. He fanned six. Heimvol gave up two singles and walked two.

Labatts travel to Penticton to night to battle with the second place Mission. Playing-manager Wayne Leonard said after Tuesday night's game, "Heimvol, if he feels ready, will probably throw again. Otherwise we'll go with Vetter."

Kelowna's next home contest is against the red-hot Vernon Luckies here Saturday night at 8. Luckies have won five straight now, knocking off every club in the loop during their streak.

DIAMOND DUST
Labatts left too many ducks on the pond. They left 12 runners stranded. Three were left in the inning and on three other occasions two were left on.

A base knock in any one of these situations could have meant a different ball game.

Kelowna now has an almost full roster Tuesday night they had 15 men in uniform, the most at any time this season.

In addition to signing Heimvol, Labatts have also signed Vetter, Schaefer and Leonard. Closes 17.

Vandals have wreaked havoc on new track booths outside Ellis Stadium. They are the old ball booths used on Okanagan Lake bridge and have just been shipped back here from the Coast.

The ball club had them outside the park for future use but sometime recently some rock-finger (s) went to work and smashed all the tick glass windows in them.

Record Entry Tees Off For Canadian Seniors

VANCOUVER (CP)—A record entry of 131 golfers will tee off today on Capilano Golf and Country Club course for the Canadian seniors golf championship.

Golf officials are enthusiastic about the entry, the largest in the four-year history of the championship. Only 57 golfers entered the match in Montreal last year.

Open's Course Said Tailored For Long - Hitting Nicklaus

ST. LOUIS (AP)—The giant figure of Jack Nicklaus, seeking his 11th professional grand slam, loomed over the Belle River Country Club's lengthy acres today as 150 of the world's premier players put the final touches on preparations for the United States Open.

Many of the 120 pros and 14 amateurs who start the four-day tourney Thursday have contended that the vast, 7,191 yard course, longest in the 65 years of the open, heavily favors long-hitting Ohio Pat.

Just behind the 23-year-old Masters champ came determined Arnold Palmer attempting to turn back Nicklaus' threat to his towering throne, and ailing defending champion Ken Venturi.

Other favorites include Gary Player, the little South African who, along with Nicklaus and Palmer, makes up golf's big three. Tony Lama and Billy Casper.

The only Canadians in the field are George Knudson of Toronto and Bob Panasuk of Windsor, Ont.

McLain's "Tiger In His Crank" Sets New Strikeout Mark

By DICK COUCE
Associated Press Sports Writer
Detroit's Denny McLain, no menace in 10 of 11 previous pitching efforts this year, set a major league strikeout record Tuesday night in the Tigers' 6-3 come-from-behind victory over Boston Red Sox.

Dick Radatz, the Monster of the Red Sox' bullpen who shared the strikeout mark broken by McLain, came in to protect a three-run lead in the eighth inning and gave up four, including a decisive three-run homer by American League home run leader Willie Horton.

McLain, a 21-year-old right-hander who struck out 261 hitters two years ago, replaced Detroit starter Dave Wickersham in the first inning Tuesday night and fanned the first so on Red Sox he faced, breaking by one the all-time record for consecutive strikeouts by a relief pitcher.

He wound up with 14 strikeouts in 6 2/3 innings—and no cigar. Fred Gladding, who pitched the final two innings after McLain was lifted for a pinch-hitter, received credit for the victory. Gladding added four strikeouts, giving the two Detroit relievers a total of 18 for the game.

McLain, whose string of seven strikeouts also tied the AL record for starting pitchers and relievers—starters Max Surkont, Johnny Podres and Jim Maloney share the modern major league mark of eight—now has fanned 66 in 73 1/3 innings.

CHISOLM BLANKED
McLain's strikeout feat overshadowed league-leading Minnesota Twins' 4-0 triumph over second-place Chicago White Sox.

Baltimore Orioles nipped New York Yankees 2-1 in 10 innings; Cleveland Indians whipped Washington Senators 8-3 and Kansas City Athletics blanked Los Angeles Angels 5-0.

In a contest earlier in the week, Jay-Rays bombed Enderby by 18-0. Haywood also picked up that win allowing five hits.

Haywood struck out 16 Enderby by hitting on his way to the no-hitter. Teammate Dave Murphy led Kamloops five-hit attack with three—triple, double and single.

In the first game, Ray Sheldard of Kamloops, with four-for-five, was top hitter. Enderby's Don Koenig went two-for-four,

including a double and triple. Haywood's record is now five wins and one loss.

Cleveland-Option Pair To Portland

CLEVELAND (AP)—Cleveland Indians announced Tuesday night they have optioned two players to their Portland farm club and have brought up a player from Portland and purchased the contract of another from Los Angeles.

They also said they were asking waivers on veteran pitcher Dick Donovan for the purpose of giving him his unconditional release.
